LSC Hiring Team

Lone Star College

9191 Barker Cypress Road

Cypress, TX 77433

Dear LSC Hiring Team,

I am excited to apply for the Graphic Design part-time position at Lone Star College. As a Digital Media major at the University of Houston and a former Lone Star College student, I am passionate about creating engaging visual experiences and would be thrilled to contribute my design skills to your team.

Throughout my academic journey, I have developed strong competencies in graphic design, web design, and digital media, utilizing tools like Adobe Illustrator, Photoshop, and InDesign. During my Web Design Internship at Treevah, I collaborated with cross-functional teams to prototype website rebranding and created digital marketing ads. These experiences helped me refine my skills in visual communication and design, which I am eager to apply in this role.

My time at Lone Star College not only strengthened my foundation in design but also taught me the importance of fostering creativity and collaboration in an educational setting. I am excited about the opportunity to return and contribute to the vibrant community at Lone Star College by delivering high-quality visual content that enhances the student experience.

Thank you for considering my application. I look forward to the possibility of contributing to Lone Star College as a part-time Graphic Designer. I am confident that my passion for design and strong work ethic will make a positive impact on your team. If you have any questions or would like me to provide any additional information, please feel free to contact me at ngtt.jane@gmail.com.

Sincerely,

Jane Nguyen
